Office of the Muzrai Commissioner in Mysore,
Dated, Bangalore, the 15th January 19

From

K. Chandy, Esquire, B.A.,
Muzrai Commissioner in Mysore.

To

1. Satyaraja Chetty, Esq., B.A.
Comptroller to the Government of His Highness
the Maharaja of Mysore, Bangalore.

Sir,

I have the honor to address you in the matter of contributions towards the State Loan of 1920 (6½ per cent) from the cash balances of Muzrai Institutions and from the Puduvat amounts, in reply to your letter No.3.L.1290 dated the 14th September 1933.

2. On page 4 of the reference under reply, it is stated that the Government Order No.1408-17/Muz.38-20-12 dated 14th October 1920 directing the investment of Muzrai funds in the State Loan of 1920, has been understood in your office "to mean that the Muzrai investment of Rs.7,50,000/- is exclusive of the amounts tendered by Amildars and Deputy Commissioners from Puduvat funds as these had been transferred to the loan account within the period of the loan operations". And further in these circumstances it is suggested that an additional sum of Rs.50,000/- may be transferred to loan from Puduvat funds. In para 4 (b) of the said Government Order the item Rs.50,000/- out of Puduvat funds held in the Savings Bank is given as a component part of the total Rs.7,50,000/- from Muzrai funds. Neither in this order nor in the Government Order No.629-38/Muz.75-22-1 dated 5th August 1922 giving instructions in the matter of adjustments of loan applications from Puduvat funds is to be found any indication in support of the view held by you that the contribution from the

P.T.O.

MUZRAI COMMISSIONER, M.P.S.

from the Puduvat amounts is to be in addition to Rs.7½ lakhs from Nuzrai funds. On the other hand, in para 5 of the latter Government Order, it is stated that "the full amount of Rs.2,175 will not be accorded, the excess being reduced out of the amount fixed for investment out of the cash balance of Nuzrai Funds". Thus I hope it will be seen that without express orders of Government, it will not be possible to transfer an additional sum from Puduvat funds as requested. It may well be that the difficulty felt by the Accounts Office in the matter, if placed before -- Government, may cause orders to be passed on the lines suggested by you and so, I request that you will be so good as to communicate the position to the Revenue Secretary to Government soliciting orders.

3. As stated in para 2 of my ... letter No.D.616 of 1922-23 dated 27th December 1922, the submission of the final statements of balances of individual institutions from Mr. Rituvunjaya Iyer the Special Duty Officer, is awaited before the details of contributions from the cash balances can be furnished. Meantime, a statement has been prepared, based on the statement of balances of Nuzrai institutions as it stood on 30th June 1922, kindly -- furnished by you with letter No.785/1.A.D.I. dated 11th November 1922, to show what amount can be reckoned on from the cash -- balances. From this it will be seen that a sum of Rs.3,24,500/- may be expected from the Major institutions (excluding Chattrams and Rest-houses); Rs.2,37,500/- from Minor temples; and Rs.2,000 from Minor Mohamedan institutions, thus making up a total of Rs.4,64,000/- (vide statement A appended). Extracts for each District relating to these contributions from cash balances will be sent by me to the Deputy Commissioner concerned for information.

4. Coming to the contributions from Puduvat Funds, I proceed to answer the points raised by you in the latter under reply -- seriatim:--

(1) Part I, page 1 of your letter:-- The four applications which are not included in classes (a), (b) or (c) totalling to

to Rs.2,950/- may be included in the contribution from Kuduval amounts. (Vide also my letter No.C.316 of 22-12-[illegible] 27th December 1922 with regard to the first three [illegible]. In effecting these transactions, the case of [illegible] Rs.346-8-0 credited to loan but now wanted by the Deputy Commissioner, [illegible] District for the repairs of Kote Lakshmi Narasimha [illegible] temples, referred to in your letter No.1437/S.R. dated 3rd October 1922 addressed to the Revenue Secretary to Government are transferred to this office for disposal to another institution [illegible] remembered. The transfer will have to be at the rates prevailing at the time of the transfer.

(2) Para II, page 2 of your letter:-- The three applications aggregating Rs.837-8-0 may be removed from the lists of Kuduval amounts as it is stated that bonds have already been issued in the personal names of the tenderers and they are therefore no longer pending.

(3) Para III, page 2 of your letter:-- The application being only for Rs.6,700/-, the error found in the statement is being included as one for Rs.7,000/- may kindly be rectified.

(4) Para IV, pages 2 & 3 of your letter:- Regarding the inclusion under class (a) of some applications of Nanjangud Taluk now found under class (c), no opinion can be given in the absence of a definite report from the Deputy Commissioner, Mysore District. This officer, in his letter No.Ref.C.115/20-21 Muz. addressed to the Revenue Secretary to Government and since received in this office, has stated that regarding certain items tendered by the Amildars of Seringapatam, Mysore, Nanjangud, Chamarajnagar and Malvalli Taluks as per statement (c), he has called for urgent reports from the Amildars and that on receipt of these, he would submit a report as to the acceptance or otherwise of the amount included in the said statement. If any report dealing with this matter has since been received by you, the same may kindly be sent to me for perusal and return with my opinion regarding the points

4.

Yours,

MUZRAI COMMISSIONER, P.T.D.

regarding the points noted by you about applications from Nanjar .i Taluk. Again in the list given on page 3 of such applications, Savings Bank account No.786 is mentioned, the amount transferred being Rs.99/-; but it is noticed that this Savings Bank account number is not found in the lists.

(5) Observations re total face value of bonds of (a), (b) and (c) classes, page 3 of your letter:-- The totals can be arrived at finally only after the intermediate questions are all fully settled and any necessary changes will have to be effected with the permission of Government to whom the final reports will have to be submitted.

5. If any report or statement of action taken has been submitted in accordance with para 6 of Government order of 5th August 1922, I request to be favoured with a copy of the same.

I have the honor to be,

S i r,

Your most obedient servant,

To

The Deputy Commissioner,

of all the Districts

Sir,

Adverting to para 5 of Government Order No.1402-7/ M.33-20-1 dated the 14th October 1920 in re the distribution of the amount invested in 6¼ % State Loan out of the cash balances available to the credit of the Muzrai Institutions among the several class of institutions, I have the honor to forward herewith for your information a statement pertaining to your District and prepared in this office to show what amount can be reckoned on for the investment from the cash balances at the credit of institutions.

2. This statement has been sent to the Comptroller. I may point that the basis on which the present calculation is made is the statement of cash balances of Muzrai Institutions as it stood on 30-6-1922 furnished by the Comptroller to Government with his letter No.705/T108 dated 11th November 1922.

3. As this estimate of the probable contributions from the cash balances of the Muzrai Institutions concerned to make up the sum of Rs 7½ lakhs earmarked from Muzrai funds for the 6¼ P.C. State Loan, is likely to approximate to the final allotment, I write to request you to be so good as to issue early instructions in clear terms for only the balances of the several institutions concerned after these probable contributions are deducted, being counted on for purposes of expenditure when estimates for works or other extraordinary items are submitted for sanction.

I have the honor to be,
Sir,
Your most obedient servant,
